The course fee is **\$995** for physicians and nurse anesthetists, and includes the electronic conference syllabus, continental breakfasts and refreshment breaks. \$100 will be retained to cover administrative expenses should you cancel your registration in writing by November 1, 2010. There will be no refunds after **November 1, 2010**.

ACCOMMODATIONS

Punta Mita is a world apart, a secluded paradise where you can explore the richness of Mexican culture while drinking in the area's natural beauty. Less than an hour from Puerto Vallarta, **Four Seasons Resort Punta Mita** is located in a 1,500-acre nature reserve.

The resort is on the northern tip of Bahía de Banderas – one of the world's largest natural bays. The shoreline of this community is fringed by over 9 miles of pristine white sand and rugged lava rock formations. Rising in the background are the jungle peaks of the Sierra Madre Mountains.

Punta Mita is considered one of the area's best spots for snorkeling. Guests can enjoy scuba diving and surfing within a short distance of the Resort. Golf enthusiasts are sure to discover paradise, while other guests may prefer a day of spa treatments, shopping or relaxing seaside and absorbing the famous Mexican Riviera sunshine.

Updated 9/21/10

We have secured a block of rooms at the **Four Seasons Resort Punta Mita** exclusively for course registrants, at the special group rate of **\$275** per night, run of ocean, which is applicable three days before and three days after the meeting, subject to availability.

Hotel reservations must be made prior to **October 30, 2010** to secure this rate. **Limit one room per registrant.**

You must register and pay for the conference in order to receive the special group rate. Reservation instructions will be provided in your registration confirmation. *Please book early as the room block is likely to sell out before this date.*

STATEMENT OF NEED

This activity is designed to help clinicians learn about advances in multimodal analgesia, to improve analgesia and recovery from surgery, while reducing complications; recent revisions to transfusion guidelines, including use of plasma and platelet concentrates; and to advise, lead, and possibly create policies and train non-anesthesia trained caregivers to provide safe sedation to children.

TARGET AUDIENCE

Anesthesiologists, hospitalists, intensivists, pain management physicians; CRNAs.

DISCLOSURE

The Duke University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

RESOLUTION OF CONFLICTS OF INTEREST

In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

DISCLAIMER

The information provided at this CME/CE activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

LEARNING OBJECTIVES

Upon completion of this educational activity, participants should be able to:

- Identify recent randomized clinical trials showing analgesia and outcome benefits from pharmacologic and regional anesthetic approaches to multimodal analgesia;
- Identify treatments of massive blood loss; and
- Identify current guidelines designed to improve the safety of infants, children, and adolescents undergoing sedation in the hospital and outpatient setting

CREDIT

The Duke University School of Medicine designates this educational activity for a maximum of 20.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Approved by the American Association of Nurse Anesthetists for 22 CE Credits; Code Number 32836, Expiration Date December 4, 2010.

ACCREDITATION
